Request to Retrieve Electronic Priority Application(s)

Application Number	10/628,350
Filing Date	July 29, 2003
First Named Inventor	Masanori FUKUI, et al.
Art Unit	1741
Examiner Name	DEGHAN, Q. S.
Attorney Docket Number	238238US2

The undersigned hereby requests the USPTO retrieve an electronic copy of each of the following foreign applications for which benefit has been claimed under 35 U.S.C. 119(a)-(d) from a foreign intellectual property office participating with the USPTO in a bilateral or multilateral priority document exchange agreement:

Please retrieve (check all that apply)

☒ The following applications originally filed in participating offices (only list the Participating Office and the Participating Office Application Number (columns 1 and 2 below)):

☐ The following applications originally filed in non-participating offices (must list the information for all three columns below):

1. Participating Office with which the Priority Application, or the Copy, was filed (e.g., EPO)	2. Participating Office Application Number in which the Priority Application, or a Copy, was filed (e.g., 03101432)		3. Non-Participating Office Application Number (Priority Application), if applicable	
	App. No.	Filing Date	Office	App. No.

2. JPO	2003-021196	01/29/2003		
3.				
4.				
5.				
6.				

This Request to Retrieve Electronic Priority Application(s) (Request) should be filed within the later of four months from the date of filing the above-identified application claiming foreign priority, or sixteen months from the filing date of the foreign application to which priority is claimed.

This Request should be submitted concurrently with the claim for priority, or thereafter. The USPTO will not attempt to retrieve the identified priority application(s) until applicant identifies the indicated priority application(s) on the oath or declaration or an application data sheet in compliance with 37 CFR 1.63(c).

Applicants are advised to consult Private PAIR (accessed through www.uspto.gov) to assure that the retrieval has been successful. The applicant remains ultimately responsible for the submission of the certified copy of the foreign application(s) within the period set forth in 37 CFR 1.55(a) (before the U.S. application issues as a patent) if the USPTO does not timely retrieve the identified priority application(s).

I hereby declare that I have the authority to grant access to the above-identified applications.

Information:

This Acknowledgement Receipt evidences receipt on the noted date by the USPTO of the indicated documents, characterized by the applicant, and including page counts, where applicable. It serves as evidence of receipt similar to a Post Card, as described in MPEP 503.

New Applications Under 35 U.S.C. 111

If a new application is being filed and the application includes the necessary components for a filing date (see 37 CFR 1.53(b)-(d) and MPEP 506), a Filing Receipt (37 CFR 1.54) will be issued in due course and the date shown on this Acknowledgement Receipt will establish the filing date of the application.

National Stage of an International Application under 35 U.S.C. 371

If a timely submission to enter the national stage of an international application is compliant with the conditions of 35 U.S.C. 371 and other applicable requirements a Form PCT/DO/EO/903 indicating acceptance of the application as a national stage submission under 35 U.S.C. 371 will be issued in addition to the Filing Receipt, in due course.

New International Application Filed with the USPTO as a Receiving Office

If a new international application is being filed and the international application includes the necessary components for an international filing date (see PCT Article 11 and MPEP 1810), a Notification of the International Application Number and of the International Filing Date (Form PCT/RO/105) will be issued in due course, subject to prescriptions concerning national security, and the date shown on this Acknowledgement Receipt will establish the international filing date of the application.
